Need Volunteers through end of year

# TPF-NEWSLETTER

## Eagle Scout

Our Youth groups newest Eagle Scout is Chase Black. As a senior, Chase has been a part of the youth group for 6 years. He has been one of the most committed members through those years. His level of

commitment has also been made evident in his Boy Scout career through 12 years of service. Chase’s final task for obtaining the Eagle Scout was helping restore an old family cemetery. Not only did he help in the clean up but also added some benches and new markers for each gravestone. We are proud of the fact that Chase is a part of our youth family and excited about what God has planned for him.

## “Operation Christmas Child” Loaders

Aberdeen FBC is the central drop off point this year for the Samaritans Purse Shoeboxes for Hoke, Scotland and Moore Counties. ### **Discipleship is Key!**

Remember that our church is going through the  
40 day prayer challenge and memorizing  
scripture along with it.

PLEASE encourage your teens to be involved as  
much as possible in this process!

## **WARNING!!!!!!**

Not really a warning just wanted your attention.

We are really in prep mode for the new year amongst the youth leaders in training for Discipleship. With that I wanted to remind you all that our focus is leaning heavily towards Sunday school with Sunday Nights and Wednesday Nights complimenting Sunday Morning small group time. Sunday school plays a huge part in discipleship and commitment is key. Therefore Sunday school provides the best possible time for students to be committed because of school related activities through the week. So we are now placing an emphasis on Sunday mornings for trip participation as well.
